About Us:

Rescue Me Ga is a rescue and fostering organization that serves to the Metro Atlanta area. The organization is a nonprofit where all donations go into helping the pets, both dogs and cats, in need and all staff are volunteers.

Since starting, the organization has helped save more 5,000 lives.

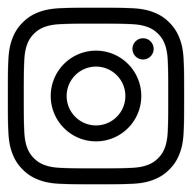

The organization does not have a facility; instead, animals are cared for within a fostering team.

An adoption fee is required to help cover vet expenses.

Each adopter has to go through a screening to make sure they are a good fit for the dog or cat they want to adopt.

Adoption Policies:

Must be 23 years or older.

Must have an up-to-date vetting history for previous or current pets.

Current pets must be spayed/neutered.

Adopted pets must be indoor pets, anything other than this will not be allowed.

For puppies being adopted, there must be a current dog already living in the household to ensure proper socialization for the puppy.
